### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claim 43, Line 1, replace "A method of A method of" with –A method of--.

Claim 43, Line 4, replace "the user logs onto a clien workstation" with –the user logs onto a client workstation"

### ***Allowable Subject Matter***

2. Claims 1-7, 9-19, 21-31 and 33-46 are allowed.

3. The following is an examiner's statement of reasons for allowance: Applicant's claimed invention recited in the independent claims define a method, apparatus and article of manufacture of providing security for a computer connected to a data store via a server using authentication keys. The prior art of record, Stallings and Bryant discloses a similar invention, however, neither Stallings nor Bryant teach or suggest generating an authentication key based on a user name, a computer identifier and a server user identifier, whereby the authentication key, the user name and the computer identifier are received by a computer; the authentication key is parsed, and if the parsed

user name and parsed computer identifier matches the received user name and received computer identifier, then the parsed server user name is used to access a datastore via the server; further, the authentication key is replaced by a new authentication key based on the user name, computer identifier and an updated server user name when the server user name and/or a server password is changed. For these reasons claims 1-7, 9-19, 21-31 and 33-46 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
